Statement of intent

Parkside Community School understands that visits and trips can be effective ways of motivating pupils, and they can often offer unique educational experiences. The school aims to ensure that pupils are engaged in their learning and are given opportunities to explore this in a more practical setting.

The school takes the health and wellbeing of our staff and pupils very seriously. This policy has been designed in line with DfE and HSE guidance and details our responsibilities for pupils and staff members while out on educational visits and school trips.

'Residential' means any school trip which includes an overnight stay.

Activities of an **'adventurous nature'** include, but are not limited to, the following:

3. Roles and responsibilities

The governing board is responsible for:

- The overall implementation of this policy.
- Ensuring that this policy complies with the Equality Act 2010.

The headteacher is responsible for:

- The day-to-day implementation and management of this policy.

- Liaising with the educational visits coordinator and communicating information regarding any planned trips to parents.
- Liaising with the governing board regarding the organisation of extra-curricular trips and activities, including settling any disputes.

- Ensuring the competency of the designated trip leader, in consultation with the senior leadership team, by organising training for staff and volunteers.

The educational visits coordinator is responsible for:

- Partaking in relevant additional training to ensure they remain up-to-date with relevant educational trip information and health and safety guidance.
- Overseeing the planning of the educational trips, by ensuring all essential documentation, including risk assessments, is up to date and appropriate for completion by the designated trip leader.
- Completing relevant paperwork, including risk assessments, for extra-curricular trips and activities.

The designated trip leader selected to be in charge on an individual trip is 'in loco parentis' and has a duty of care to all pupils on the trip. They are also responsible for:

- Liaising between all appropriate parties, including the local outdoor education adviser, during the planning and organising of extra-curricular activities and trips.
- Overseeing all issues and controls regarding extra-curricular activities and trips.
- Ensuring the systems and procedures for dealing with educational visits adhere to the requirements of this policy.

- Informing parents of the proposed extra-curricular trip or activity six weeks in advance and distributing permission slips to parents.
- Implementing safeguarding measures throughout the planning, organisation and delivery of the extra-curricular trip or activity.
- Ensuring all adults on the trip are aware of their responsibilities and that the necessary checks have been carried out on volunteers in line with the DBS Policy.

The designated deputy leader supports the designated trip leader and will assume the designated trip leader's responsibilities if the designated trip leader is no longer fit to lead the trip, e.g., is unwell at short notice. They are also responsible for supporting the designated trip leader in completing all their relevant responsibilities by assuming any delegated tasks.

Staff are responsible for:

- Adhering to this policy and applying its principles when participating in extra-curricular trips and activities.
- Ensuring they are competent and comfortable with their delegated responsibilities, undertaking training where necessary.
- Ensuring the safety of the pupils is maximised throughout any educational visit or activity.

Volunteers on the trip are responsible for:

- Adhering to this policy and applying its principles when participating in extra-curricular trips and activities.
- Supervising and ensuring the safety of pupils by following the procedures outlined by the designated trip leader.

4. Planning school trips

Prior to planning a school trip, the following guidance will be read by the designated trip leader:

- **DfE (2018) 'Health and safety on educational visits'**
- **HSE (2011) 'School trips and outdoor learning activities'**

A thorough risk assessment will be conducted by the designated trip leader during the planning of the trip, to ensure pupil and staff safety.

When partaking in adventure trips, activities will always be identified at the planning stage and never added during the trip. When planning water sport activities, the need for instructors and lifeguards will be taken into account, particularly when using facilities which may not have a trained lifeguard present.

The school will do everything in its power to ensure that all pupils are given an opportunity to participate in school trips, where appropriate. Where there is a maximum capacity of pupils for a trip, places will be allocated on a first come, first served basis. This will be clearly communicated to parents.

5. Risk assessment process

Our risk assessment process is designed to manage risks when planning trips, while ensuring that learning opportunities are experienced to the fullest extent. The individual carrying out the risk assessment process will have the skills, status and competence needed for the role, understand the risks involved, and be familiar with the activity.

The process is as follows:

- Identify the hazards
- Decide who might be harmed and how
- Evaluate the risks and decide on precautions
- Record findings and implement them
- Review assessment and update if necessary

A risk assessment will be conducted for each school trip before it is undertaken to identify hazards and control measures specific to the trip.

6. Vetting providers

When considering external providers for activities, the educational visits coordinator will check whether they hold the 'Learning Outside the Classroom Quality Badge' to indicate they meet nationally recognised standards.

If a provider does not hold the badge, the educational visits coordinator will liaise with the School Business Manager to check the following to ensure they are a suitable organisation to work with:

- Their risk assessment
- Their insurance arrangements
- Their adherence to legal requirements
- Their control measures
- Their use of vehicles
- Staff competency levels
- Safeguarding policies
- The suitability of their accommodation
- Any sub-contracting arrangements in place
- The presence of necessary licences

If it is deemed appropriate to engage with an external provider, a written agreement will be created outlining what each party is responsible for. If an organisation does not meet the school's standards, they will not be considered.

7. Equal opportunities

The school promotes values of equality and does not discriminate against any individual or group of pupils when organising a trip. The extra-curricular trips and activities offered to pupils will provide new experiences and develop life skills. Extra-curricular trips and activities are organised, managed and conducted in accordance with the school's Pupil Equality, Equity, Diversity and Inclusion Policy.

Due to the popularity of some extra-curricular trips and activities, the school offers places on a first come, first served basis. Any individual, staff or otherwise, shown to be taking preference over one pupil or a group of pupils will be subject to formal disciplinary action.

Where possible, pupils will be given the opportunity to contribute to the planning and organisation of extra-curricular trips and activities.

For school trips that require additional payment, the fee will be reasonable and help will be provided where possible for pupils who cannot afford the initial fee.

8. Parental consent

More information is given to parents and written consent is required for:

- Activities of an adventurous nature.
- Residential trips.
- Foreign trips.
- Trips outside of school hours.

If preferable and appropriate, parents may complete an annual consent form at the start of any academic year which gives consent for their child to be involved in any and all activities, both on and off-site, that take place at any time, including the school holidays. Separate consent will be sought for trips which require payment. Parents will be informed of activities by letter and will have the opportunity to withdraw their child from taking part.

9. Staffing ratios

There will be sufficient staff to cope in an emergency and generally. Staff ratios will be assigned by the senior leadership team on a trip-by-trip basis.

10. Insurance and licensing

When planning activities of an adventurous nature in the UK, the designated trip leader will check that the provider of the activity holds a current licence.

Where a crime is committed against a member of the party, it will be reported to local police as soon as possible.

The Embark Federation Trust organises Risk Protection Arrangement Insurance with the Department for Education, which covers all risks that materialise in relation to school business.

11. Accidents and incidents

In the case of accidents and injuries while on a school trip in the UK, the school's accident reporting process will begin, as detailed in the Health and Safety Policy. In the case of accidents and injuries while on a school trip abroad:

- Organisers will cooperate fully with local emergency services and understand that any injury or death of a member of staff or pupil outside of Great Britain may be subject to the law of the land where the accident occurred.
- The first point of contact within the UK will be the headteacher who will contact the family of the injured person.
- Pupils will be asked not to contact friends or parents in the UK until the family of the injured person can be contacted.
- The British Embassy/Consulate will be informed.
- The insurer will be notified.

The headteacher will keep written records of any incidents, accidents and near misses.

Media enquiries will be referred to the headteacher or, if they are not available, the deputy headteacher or the clerk to governors.

12. Missing person procedure

The school places pupil and staff safety as its top priority when participating in school trips, either domestically or abroad.

Before embarking on the trip, extensive risk assessments are undertaken in accordance with this policy. The designated trip leader will communicate with the venues of the school trips to ensure the correct group sizes are planned for each setting.

When travelling with a pupil with SEND, the educational visits coordinator will ensure an adult is with them at all times and that the visit is adequately modified to suit the pupil's needs in accordance with this policy.

All students are provided with the school phone number in case of emergencies while on a trip.

Upon arriving at every venue, the designated trip leader will identify a rendezvous point where pupils and adults should go if they become separated from the rest of the group.

Regular head counts of all pupils and staff will take place throughout the day to ensure all persons are present at all times.

In the event someone goes missing whilst on a school trip domestically or abroad:

- The designated trip leader will ensure the safety of the remaining pupils and staff by taking a register to identify who is missing.

- The designated trip leader will immediately identify at least one adult to start looking for the person and another adult to contact them via phone, these people will look for the person until, where necessary, the police arrive.
- Where possible, the venue will be notified of the missing person to help ensure the person is found quickly.
- If the person cannot be contacted or located within 10 minutes, the local police or relevant authorities, e.g. the British Embassy, will be contacted.
- If the police are called, the trip leader will contact the headteacher, or other available person, back at the school and inform them of what has happened.

If the police, or another authority, is called to an incident where someone is missing, they will oversee locating the person and will advise on factors including, but not limited to, when to contact next of kin.

If the missing person cannot be found, the group will return to school. If this is not possible, e.g. when a trip is taking place abroad, the headteacher will liaise with the educational visits coordinator and designated trip leader to make arrangements to ensure the group's safety, e.g. by changing venues or cancelling visits.

If a member of the party has gone missing and is subsequently found, the trip leader will:

- Review the group sizes and staffing ratios to ensure no one becomes separated from their group.
- Review whether more registers should be conducted throughout the day.
- Assess which venues they attend to ensure they are suitable for the group.
- Make recommendations to the educational visits coordinator to ensure similar incidents can be avoided in the future.

13. Pupils with SEND

Where possible, activities and visits will be adapted to enable pupils with SEND to take part. If necessary, the SENCO will liaise with pupil's parents, to consider what reasonable adjustments may be necessary.

14. Finance

The financial procedures outlined in the school's Charging and Remissions Policy will always be followed when arranging trips.

The school will act in accordance with the DfE's guidance document 'Charging for school activities' (2018) and, therefore, will only charge for trips which are classed as an 'optional extra'. This is education provided outside of school time which is not:

- Part of the national curriculum.
- Part of a syllabus for an examination that the pupil is being prepared for at the school.
- Part of religious education.

Money for school trips will always be paid directly to the school. Under no circumstances should school trip money be processed through personal accounts.

All letters to parents regarding school trips will include a clause explaining what will happen in the event that the trip is cancelled or a pupil cancels their place on the trip.

In the event that the trip is cancelled due to unforeseeable circumstances, it is at the headteacher's discretion as to whether a refund is given to parents. The headteacher will consult the governing board on the matter, taking into account the cost to the school, including alternative provision costs.

In the event that a pupil cancels their place on a trip, it is at the headteacher's discretion as to whether a refund is given to parents. The headteacher will consult the governing board on the matter, taking into account the pupil's reasons for cancelling their place, whether the school will be reimbursed for the pupil's place on the trip, and whether the space on the trip can be offered to someone else. Where a pupil has previously cancelled a space on a school trip and received a full refund, the school has the right to refuse to allow the pupil to attend future trips and visits.

The school will take a common-sense approach to refunds and cancellations, ensuring that all pupils are treated equally. Any charge made in respect of pupils will not exceed the actual cost of providing the trip divided equally by the number of pupils participating.

15. Trips abroad

When planning school trips abroad, the school will consider the Foreign and Commonwealth Office's guidance 'Safer adventure travel and volunteering overseas' (2015) and, where an activity poses significant risks, the school will also consult the British Standard for adventurous activities outside the UK.

Validity of passports, visa requirements and other entry requirements, e.g. vaccination status, will be researched and dealt with within three months of the initial notification of the trip, to avoid problems when the trip is due to take place.

Staff and pupils will be taught about the culture and values of the country they are visiting, to ensure they understand and respect the values of the citizens.

Before the trip the designated trip leader will check the travel advice for each country the trip will visit to ensure no visa or permit is needed and to check any other regulations or time limitations.

Staff and pupils will be made aware that they must not have spent over 90 days in the EU, Switzerland, Norway, Iceland or Liechtenstein, within a 180-day period if they intend to participate in any trips within these countries.

Before the trip, the relevant healthcare and travel insurance checks will be conducted to ensure attendees are covered for medical issues or accidents.

Pupils and staff will be informed if they need to apply for a free Global Health Insurance Card (GHIC) or European Health Insurance Card (EHIC) to ensure they can access state-provided healthcare during a temporary stay in the EU.

Registers will be taken at the start and end of each day, as well as before, during, and after events, and at regular intervals whilst on days out to ensure the whereabouts of pupils are known at all times.

Staff will check the location's local news at the start of each day of the trip, to ensure their planned activities are safe to go ahead. A minimum of two members of staff attending the trip will have at least an intermediate understanding of the destination country's language.

At the start of the trip, all pupils and staff are provided with an emergency contact sheet, this includes the trip leader's mobile phone number, as well as emergency numbers and phrases for the country they are visiting.

When using external providers abroad, the school will check whether the provider holds an equivalent of the 'Learning Outside the Classroom Quality Badge'. If no such equivalent can be ascertained, the school will make checks prior to agreeing to use the provider.

16. Evaluating trips and visits

Following an educational trip and/or visit, the designated trip leader will meet with other staff members present on the trip to assess the success of the trip in respect of both educational value and safeguarding effectiveness.

Based on this assessment, recommendations will be made to improve future trips and visits.

17. Monitoring and review

The effectiveness of this policy will be monitored by the headteacher. The scheduled review date for this policy is every three years.
