Dear Parents/Carers

We have invited an organisation called Humanutopia in to work with year 11 on Friday 27 September and your child will be asked to participate in this very exciting and innovative event.

The programme is called 'The Final Push' and is a day-long experience which supports Year 11 students to deal with the challenges and pressures they may face in their final year at school. 'The Final Push' will help students to express, then rationalise their fears and worries and they will be encouraged to reassess their priorities and set new and achievable goals.

The experience is designed to empower young people to develop critical life skills and take motivation and ownership of their education; this is vital in year 11 in order to be successful.

We are certain that this will be a positive and memorable experience for your son/daughter and feel it is a perfect complement to their academic studies. We are very lucky to have sourced this organisation as they have a proven track record in empowering and motivating students. For further information on Humanutopia – please go their website at www.humanutopia.com

Yours sincerely

Mrs Asher
Deputy Headteacher - Quality of Education
