February 2025

Dear Parent/Carer

Last term Year 11 students participated in three mock examinations for science, one each for Biology, Chemistry and Physics. These mock exams covered content for Paper 1 which students had studied in year 10.

When mock examinations were undertaken last term, students hadn't completed the required content for Paper 2 and therefore were unable to sit a Paper 2 mock exam in science. However, by Friday 14 February 2025 students will have studied all content for Paper 2. I therefore intend for students to undertake a Paper 2 mock exam for Biology, Chemistry and Physics during the week commencing 24 February 2025.

The dates and times of each examination are as follows:

Biology Paper 2 Mock Exam - Monday 24 February 09:00 – 10:15

Chemistry Paper 2 Mock Exam - Tuesday 25 February 08:45 – 10:00

Physics Paper 2 Mock Exam - Friday 28 February 12:15 – 13:30

Yours faithfully

Mr C Banyard
Head of Science
