Dear Parent/Carer

It gives me great pleasure to write this first letter to you as the new Headteacher of Parkside Community School. During my first week in the role, I have been so impressed with our young people. I have observed students who are polite, friendly, and motivated to learn. It's safe to say I have received a warm welcome from them; it's brilliant to be here.

This letter is written to share the presentations that were used for all year groups at last week's Parental Information Evenings. It was fantastic to meet parents and carers at Parkside. For those that were unable to attend please click the link below that coincides with your child's year group. The presentations share my educational beliefs and values whilst setting out my vision for the school. They also provide information related to the school's wider offer for your child. If you have any questions, please do get in touch with us.

Supporting your child to be safe, happy, and successful at Parkside Community School is what motivates me in this exciting new role.
