Dear Parents/Carers

### Free Online Workshop

Through our link with Sheffield Hallam University, The University of Sheffield, and HEPP (Higher Education Progression Partnership), there will be an opportunity for parents/carers to access a free online workshop.

On Thursday 27 March 2025 from 5.00pm, a virtual session for parents/carers and students will be available for 30 minutes enabling you to access information regarding exams, student wellbeing and revision tips. This session is for all year groups but specifically aimed at students taking exams this summer.

Please join us for an informative event designed for parents/carers to help your children navigate exam season with confidence and resilience. We will cover the following topics:

- top tips for effective revision techniques
- supporting wellbeing during the exam period
- Q & A with a parent/carer ambassador who has experience supporting a young person through this process
