BRI/SRU

November 2021

Dear Parents/Carers

As we begin this next half term, I would like to remind you of the current rules for pupils regarding testing and self-isolation for Covid-19.

Pupils should self-isolate and get a PCR test as soon as possible if they:

- Have symptoms of Covid-19: a high temperature, a new continuous cough or a loss or change to sense of smell or taste.
- Test positive on a Lateral Flow Test

If pupils then test negative on a PCR test, they can return to school as normal. If they test positive on the PCR test, they should self-isolate in accordance with the instructions from Track and Trace.

Pupils **do not need to self-isolate** if someone they live with has symptoms of Covid-19 or tests positive for Covid-19. Instead, they should book a PCR test outside of school time. Pupils should only self-isolate if they develop symptoms themselves and then test positive.

Please contact us at school if your child has symptoms of or tests positive for Covid-19, or if you have any questions.

With very best wishes

Ben Riggott
Headteacher
