Dear Parent/Carer

Back in November, I spoke to Y11 students about how the passport to the prom is designed to help them to focus their efforts in the lead up to their GCSE exams. I explained that there is no automatic right to attend the prom and students must meet termly targets to be able to attend.

These targets are based around the following criteria:

- Attendance
- Effort and focus in lessons
- Attending intervention sessions
- Completing homework

Unfortunately, your child has failed to meet one or more of the Term 2 targets below.

Target 1: Positive attendance

Target 2: Positive attitude to learning in lessons (no C2s, no truancy)

Target 3: 30 mins of SAM Learning each week

Target 4: Positive attitude to learning in your intervention sessions next week

This means that your child's place at the prom is at risk. It is vital that this term we see an improvement and that your child meets our Term 3 targets in order to attend the prom. If your child needs support to meet these targets, please encourage your child to speak to me directly or if you would like to discuss further, please contact the school.

Please note, that the targets for Term 3 are:

Target 1: Positive attendance

Target 2: Positive attitude to learning in lessons (no C3s, no truancy)

Target 3: 30 mins of SAM Learning each week

Target 4: Attendance to Parents' Evening and Humanutopia day.

Yours faithfully,

L Asher
