

Submitting my work online

Distance learning: how to send your homework to your teacher remotely

As a student you are able to submit your assignments online instead of handing them in - as long as your teacher requests an online submission. When they do so, you will see this on your homework:

The screenshot shows the Satchel One Learning platform interface. The browser address bar indicates the URL is satchelone.com/homeworks/41277996. The page title is "Jealousy in Shakespeare's Othello" with a group identifier "13x/En1". The navigation tabs include "Description", "Results", and "Submit", with "Submit" circled in red and an arrow pointing to it. The task description includes a quote from Iago: "Iago: O, beware, my lord, of jealousy; It is the green-ey'd monster, which doth mock The meat it feeds on". Below the task description, the "Other information" section contains a bullet point: "Mr J. Sinclair would like you to hand in this homework online via Show My Homework", which is also circled in red with an arrow pointing to it.

To submit your answers follow these steps:

1. Go to Submit
2. Type a message for your teacher or even your full answer.
3. Attach any files you need to, for example documents, pictures or presentations. You can choose files from your computer, Google Drive or Dropbox.
4. Click Submit assignment to teacher to send it to your teacher of your submission.

If you need to, you can submit more pieces. You can also save your progress as a draft at any time and come back to finish the task later.

The screenshot shows a web browser interface for a homework assignment. The address bar shows 'satchelone.com/homeworks/42310345'. The page title is 'Jealousy in Shakespeare's Othello' with a group identifier '13x/En1'. A navigation menu on the left includes 'To-do list', 'Calendar', 'Timetable', 'Gradebook', 'Behaviour', 'Notice board', 'My drive', 'Support', and 'Logout'. The main content area has tabs for 'Description', 'Results', and 'Submit'. A notification states 'Mrs A. Bolts set this assignment for group 13x/En1 - English' with dates 'Set on Wed 25 Mar' and 'Due on Fri 27 Mar'. The task description includes a quote from Iago: 'O, beware, my lord, of jealousy; It is the green-ey'd monster, which doth mock The meat it feeds on'. The assignment title is 'Jealousy in Othello'. The description explains that Iago first suggests the idea of jealousy to Othello in Act 3, Scene iii, and that Othello's mind becomes fixated on the idea that Desdemona has betrayed him. The task asks the student to write an essay investigating and discussing Othello's jealousy and Iago's role in this, and to bring their work to the teacher in lesson time.
